LIVESTOCK CAMPING POLICY

Camping form found ONLINE @ www.allencofair.com

Full Camping Rules found on page 35 & 36

Livestock Camping Registration Open March 1 – August 1

In order to camp in the livestock camping area, someone staying in your camper needs to be exhibiting livestock. Livestock Exhibitors are given first preference. To improve our service to both new and returning campers, we have instituted the following dates to register your camper for the Allen County Fair.

Any returning camper who completes their registration during this period will automatically receive the same location unless requesting a different location. New camper registrations will be taken in the order they are received. You may request that your campsite be near a returning camper or a general area (near front, back row, north end, south of road, etc.) The final placement will be made by the fair staff taking into consideration the size of your camper with hitch, pole placement, etc.

At registration, a camping fee (\$250) is required, and you must purchase passes for each person over the age of seven (7) staying in your camper: Season Pass - \$40 or Membership Pass - \$35, Youth Season Pass (age 7-9) - \$20. Junior Fair Exhibitors do not need to purchase a pass; however they must obtain a current 2026 Junior Fair photo ID to enter the fair for free and to claim their premium.

CREATIVE DESIGN RULES

Novice Creative Designer: Winner of 5 or less blue ribbons in creative design.

Intermediate Creative Designer: Winner of more than 5 but less than 10 blue ribbons in creative design.

Advanced Creative Designer: Winner of 10 or more blue ribbons in creative design.

Creative designs are usually big, bold, strong, and are considered art forms, using restraint in use of plant material and other components. They have more than one focal point of emergence. They may include abstract qualities, strong lines, and open spaces. Containers are usually unconventional, have multiple openings or are absent. Accessories and traditional containers are almost never used.
